

- JMM - Joint Mathematics Meetings
 - The AMS & MAA hold a joint national conference, usually held in early January.
 - Undergraduate Poster Session & Talks sponsored by the MAA
 - Registration is \$50s for undergrad, \$80s for grad
 - <http://www.jointmathmeetings.org>
- MAA MathFest
 - National four-day long conference held in early August
 - Poster Session & Talks
 - Registration is \$70s
 - <http://www.maa.org/meetings/mathfest>
- SACNAS - Society for the Advancement of Chicanos and Native Americans in Science
 - Registration begins April, fee \$330s.
 - Undergraduate Poster Session, Abstracts due in April.
 - Large Grad School Presence
 - Typical dates are in October
 - <http://sacnas.org/events/national-conf>
- NCUWM - Nebraska Conference for Undergraduate Women in Mathematics
 - Registration opens in October, fee \$30s
 - Typical dates are at the end of January
 - <http://www.math.unl.edu/~ncuwm/>
- Women and Mathematics
 - Institute for Advanced Studies (IAS) hosts an 11-day mentoring experience for grads and undergrads
 - Registration deadline is February
 - Typical dates are in the middle of May
 - <http://www.math.ias.edu/womensprogram>
- YMC - Young Mathematicians Conference
 - Annual Conference held in early August
 - Registration / Application for funding ends early July.
 - <http://www.ymc.osu.edu/2013/>
- PCUMC - Pacific Coast Undergraduate Math Conference
 - Typical dates are in mid-March
 - Funding available, registration free.
 - <http://myweb.lmu.edu/acrans/PCUMC2013/>
- PSCURM - Penn State Conference for Undergraduate Research in Mathematics
 - Biennial Conference (odd years)
 - Typical dates are in November
 - Registration free, funding available
 - <http://www.math.psu.edu/ug/curm/conferences/2013/>
- NCUR - Council on Undergraduate Research, National Conference
 - Typically held in the Spring (April)
 - Abstracts Submission deadlines in early December
 - Graduate School Fair
 - http://www.cur.org/ncur_2013/

- Mathematical Field of Dreams Conference
 - Part of the Math Alliance -- students must sign up to be a Math Alliance Scholar
 - Typically held in late October / early November.
 - <http://www.mathalliance.org>
- AMS has a list of specialized conferences, organized by dates. (Note: not all of these are open to undergraduates.)
 - <http://www.ams.org/meetings/calendar/mathcal>
- SIAM has a list of specialized conferences, organized by dates. (Note: not all of these are open to undergraduates.)
 - <http://siam.org/meetings/calendar.php>
- MAA Sectional Meetings
 - <http://www.maa.org/community/maa-sections/section-meetings>
- MAA sponsors regional conferences for undergraduates (RUMC)
 - <http://www.maa.org/programs/faculty-and-departments/undergraduate-conferences/supported-conferences>
