

## IRELAND

**Institute for Numerical Computation and Analysis**

Study for M.Phil or D.Phil by research in Applied Mathematics in Dublin Ireland. Degrees awarded by U.of Buckingham, UK. Fees €15K pa. See [www.incaireland.org](http://www.incaireland.org).

## NEW JERSEY

**DIMACS at Rutgers University**

Reconnect 2009 Program: Current Research Relevant to the Classroom

August 9 -15, 2009

The Homeland Security Center for Dynamic Data Analysis (DyDAn) and the Center for Discrete Mathematics and Theoretical Computer Science (DIMACS) at Rutgers University is sponsoring a summer program for teaching faculty to develop classroom materials and undergraduate research projects. The topic will be "Visual Analytics and its Applications" presented by Dr. Georges Grinstein. For more information or an application form, visit our web site at <http://dydan.rutgers.edu/Education/reconnect/2009/>. Or, contact the Reconnect Program Coordinator, at [reconnect@dimacs.rutgers.edu](mailto:reconnect@dimacs.rutgers.edu) or (732) 445-4304.

## NEW YORK

**The City University of New York  
Hunter College, School of Education**

Director of Mathematics Center for Learning & Teaching (Assistant, Associate or Full Professor) Full-time, tenure-track. FY1589 . Open until filled with review of resumes to begin 2/3/09.

**Compensation:**

Assistant Professor: \$41,624 - \$71,974

Associate Professor: \$53,982 - \$85,842

Professor: \$66,799 - \$102,982

Faculty member to direct the Hunter College Mathematics Center for Learning & Teaching, providing leadership in programs to develop excellent teachers of mathematics, K-12. As the Director, the faculty member will teach, conduct research, and lead the staff development efforts of the Center with a goal of improving the teaching of mathematics in the urban schools that Hunter College serves.

**Responsibilities include:**

Together with the Executive Director, carry out the plans of the Hunter College Mathematics Center for Learning and Teaching in developing unique and effective programs that will help teachers in the public schools increase the mathematics achievement of all children. In this, the Director will work with the Center's staff and School/Community Partners in initiating and carrying out programs while ensuring their quality and effectiveness. As a member of the Department of Curriculum and Teaching in the area of Mathematics Education, the Director will participate in departmental service, governance and teaching (venue to be determined by interest and experience).

**Qualifications:**

Earned doctorate in Mathematics or Mathematics Education required; significant experience in teaching mathematics at the elementary/secondary school levels as well as at the University level; experience in supervision of mathematics teachers and programs; and district-level supervisory experience preferred. Significant experience with mathematics programs in urban education settings.

**To Apply:**

Send letter of application, curriculum vitae, statement of teaching philosophy, undergraduate and graduate transcripts and three references to:

Dr. Anne Ediger, Chair  
Department of Curriculum and Teaching  
Director of Math Center Search  
Hunter College, Room 1023 West  
695 Park Avenue  
New York, NY 10065
