

# 2017 AIME Examination Certification

## *Certification by the Competition Manager:*

I certify that the 2017 American Invitational Mathematics Examination was given today, Thursday, March 7, 2017 / Wednesday, March 22, 2017 (circle appropriate date); that all students who took it did so at the same time and place; that only invited students took it; that the 3-hour time limit was strictly enforced; that no student had access to the test questions in advance; that the students were continually supervised by a proctor while they were taking the test; that I am returning all materials as required according to the 2017 Invitational Competitions Teacher's Manual; and that all other rules for administering the test were followed.

YES     NO    If no, describe the exceptions on a separate sheet of paper.

I also certify that I understand and accept the following for our school. The Committee on the American Mathematics Competitions reserves the right to:

1. Disqualify all scores from our school if it is determined that the required security procedures were not followed.
2. Re-examine students if, after an inquiry, there is a reasonable basis to believe that the scores do not validly represent the ability of the students. (The procedures for disqualification, follow-up inquiries and re-examination are similar to those for the AMC 10 and AMC 12, as outlined in the AMC 10/12 Teachers' Manual.)
