USAMO/USAJMO Information Form

When a student qualifies for the United States of America Mathematical Olympiad (USAMO) or the United States of America Junior Mathematical Olympiad (USAJMO), both the student and the Competition Manager are notified at least one week before the USAMO/USAJMO date. When a USAMO/USAJMO invitation is extended, both the student and the USAMO/USAJMO Competition Manager must complete and return a USAMO/USAJMO Response Form. If the form is not returned, the student will be ineligible to participate.

Please provide the information requested below if you agree to administer the USAMO or USAJMO. There is no fee for participating in the USAMO or USAJMO.
