

Resident Director – Math Olympiad Summer Program

June 5 – 29, 2022

Summer Employment at Carnegie Mellon

Residence Director for Mathematical Olympiad Program

Undergraduate summer employment at Carnegie Mellon University is available with the Mathematical Association of America (MAA) Mathematical Olympiad Program (MOP). The MOP is a four-week summer school for extremely talented high school students from around the world.

Duties include living in the same dormitory as the MOP students, ensuring that students adhere to the MOP disciplinary rules, providing and arranging and conducting social activities and supporting operational aspects for the running of the program (to include camp registration, ordering of supplies, closing camp office, etc.). Applicants should have finished their sophomore year by the start of the program. Preference will be given to applicants with strong academic records and strong social skills. Prior experience with MOP or a similar summer program is preferred, but not required.

Further information is available below. Stipend for four week period is \$3,500. Housing is included (in the same campus housing as the students) as well as a campus meal plan. Duties begin Sunday, June 5, 2022, and end Wednesday, June 29, 2022.

Contact Jennifer Barton at the MAA office by e-mailing jbarton@maa.org. Applications will be reviewed and applications will be accepted until position is filled.
