## 4. PRINT MATERIALS FOR COMPETITION DAY (PRINT & SCAN ADMINISTRATION ONLY)

Before the competition, print competition booklets and barcoded student answer sheets, which will be released five days before the competition (students must be approved for answer sheets to be generated). Click "Competition Booklet" and "Print Answer Sheets" to access these materials.

# THE NEW AMC PLATFORM: TECHNICAL REQUIREMENTS

## TECH SPECS

The new AMC platform works with recent versions of mainstream web browsers (ex., Google Chrome, Mozilla Firefox, Apple Safari, and Microsoft Edge) and operating systems (ex., Windows, Mac OS, iOS, Chrome OS, and Android).

**For Digital Administration:** The digital AMC can be accessed on desktops, laptops, and tablets with a supported browser and OS; however, desktops and laptops are recommended.

**For Print & Scan Administration:** CMs must have access to a printer and a scanner. The scanner must be able to scan PDF, JPEG, or TIFF images in at least 300 dpi resolution; TIFF files must be scanned in black and white.

CMs can preview the Competition Week experience by completing the AMC Practice Competition found in their accounts.

**For Digital Administration:** CMs can access the released practice competition by logging onto the AMC Platform and clicking the "Practice Competitions" Button under the first column of their AMC Dashboard.

**For Print & Scan Administration:** CMs can also print a practice competition booklet to assess how long it will take to print materials for Competition Day. Once students are approved on the platform, CMs can print the official student answer sheets beginning five days before competition week. Note: answer sheets are unique to each student.

## PREVIEWING THE EXPERIENCE

## SYSTEM TESTING WITH THE PRACTICE COMPETITIONS

**For Digital Administration:** We highly encourage all students to try the digital practice competitions, confirming there are no issues taking the competition on their device, browser, and internet connection. Students can access them by clicking "Sign on with Practice Account" at the bottom of the student portal. If students have technical difficulties taking the practice or official competitions, please email [amctech@maa.org](mailto:amctech@maa.org).

**Print & Scan Administration:** We highly encourage CMs to practice downloading and printing practice booklet before the competition to troubleshoot technical difficulties beforehand.

# A QUICK GUIDE TO HOSTING THE AMC 8

## BEFORE COMPETITION

**1. Access the AMC Platform and invite your students to register for the competition**

Click on "Competition Administration Portal." Send out the Student Registration URL found at the top of either Student Registration page to your participating students.

When students register, you will see their names appear in the list.

**2. Reserve a quiet room to host the AMC for at least 70 minutes**  
Allow time for pre- and post-competition activities.

**3. Approve students to take the competition**

Click the checkbox next to a student's name on either student registration page. (Students will be able to take either competition format).

You will be able to approve as many students as you have licenses purchased. If you need more licenses, submit the Additional Bundles Form before the deadline.

**4. Print & Scan only: Print all needed competition booklets and student answer sheets**

The Competition Administration Portal will automatically generate an answer sheet for each approved student.

## DURING COMPETITION

**1a. Print & Scan only: Distribute the AMC 8 exam booklets and unique student answer sheets**

Instruct participants to read the front cover of the competition booklet and do not open the booklet until instructed.

**1b. Digital only: Instruct students to sign into their Student Portal on their devices**  
You may also distribute the link in your CM Administration Portal under "Official Digital Competition."  
Distribute the passcode to students once you're ready to begin. Monitor students' progress on the "Digital Student Registration" page.

**2. Set the timer for 40 minutes and start the competition!**

Digital competitions will have a countdown clock on the platform for students to see, but you are responsible for timing them.

**3. Continually monitor students throughout the competition.**

**4. After 40 minutes, direct students to STOP working.**

**5. Digital only: check your "Digital Student Registration" page to ensure all students are marked "(complete)" in the "Approved" column**

## AFTER COMPETITION

**1. Print & Scan only: Collect the answer sheets and competition booklets immediately.**

Booklets may be returned to participants after Jan. 24, 2023.

**2. Print & Scan only: Check each answer sheet for complete and correct info**

**3. Print & Scan only: Scan and upload all student answer sheets to the CM portal by Monday, Jan. 30**

Scan them as PDF, JPEG or black & white TIFF files in a 300 dpi resolution; you may combine them into one file. Use the "Upload Answer Sheets" page.

### REMINDERS:

Students may not discuss problems until Jan. 24 at 8 am ET.

If there is an urgent need to use the bathroom, all materials should remain with the CM. No other breaks are permitted.

Participants should come prepared with lunch and/or snacks since there will be no lunch break during the competition.

# NEW FEATURE FOR THE AMC 8

**For Digital Administration:** Digital competitions will have a countdown clock on the platform to help guide students, but they will not automatically submit when the clock runs out. This provides more flexibility for CMs in case of internet problems or other unexpected interruptions. **CMs are responsible for timing students independently of the digital platform.**

## DISQUALIFICATIONS AND CHEATING

**All disqualifications, cheating accusations, and suspicious behavior are taken seriously by the MAA AMC office and must be reported to [AMCHQ@maa.org](mailto:AMCHQ@maa.org).**

**The CM proctor must not answer any questions about the problems during the competition and should ensure that no participant has the opportunity to communicate by any means with any other person while the competition is in progress.**

### **Disqualifications by Competition Manager**

If it is clear to the competition manager from personal observation that a participant has cheated, the competition manager must disqualify the participant. After the participant is disqualified, the competition manager must notify the AMC of the disqualification for further action.

### **Submitting a cheating accusation or suspicious behavior:**

It is critical to support the claim with facts or documentation. If the competition manager receives an accusation or obtains indirect evidence of cheating, the competition manager must immediately report all evidence of the situation to the MAA AMC Office at [AMCHQ@maa.org](mailto:AMCHQ@maa.org).

The MAA AMC Office reserves the right to disqualify scores if it determines the rules and procedures were not followed.

### **Consequences for disqualified students:**

Scores will be removed from AMC historical data, and students will be ineligible to compete for the remainder of the cycle and, potentially, all future competition cycles.

# AFTER THE COMPETITION: SCORES

## Results and Resources for Competition Managers:

CMs can access initial score reports on the AMC platform 24 hours after the conclusion of Competition Week. Finalized reports will be released immediately for digital competition students. For the Print & Scan Administration, CMs will see initial scores 24 hours after submission. However, those scores will undergo two separate verifications to ensure the scan is read correctly.

## Download and print fillable PDF certificates:

Certificates will be found under the "After the Competition" column of the AMC Dashboard. Recognize student participation and high scores.

## Retain the digital score report for future reference

MAA AMC cannot look up individual student scores after the competition. Many students cite these scores on college applications.

## PRICING, REFUNDS AND CREDIT

Pricing for the AMC 10/12 is \$2.70 per participant, packaged in bundles of 10. Each bundle consists of 10 student registrations, which can be applied to either digital or print & scan administration.

Discounted pricing is applied to orders paying with credit card. All payments are processed on the MAA AMC Registration website: [amc-reg.maa.org](https://amc-reg.maa.org). **There are no other required registration fees on any other website.**

The AMC CANNOT provide refunds or credits once competition materials are ordered.

## POLICY FOR CHANGES

The MAA Committee on American Mathematics Competition may change the program rules, regulations, awards and conditions of participation in whole or in part. Whenever possible, competition managers will be notified of these changes ahead of time.
