Terms: This service is provided exclusively to you and your school for use as part of your school's activities with the Mathematical Association of America American Mathematics Competitions (MAA AMC). As part of each student's contest registration process, we will collect information that may include the student's name, grade, age, gender, ethnicity, address, email, and consent for the MAA AMC to share information collected with educational institutions & organizations, and the student will choose their own uniquely identifying username. We will also collect contest data from the student as they use our contest system. This data will be disclosed to you and the MAA AMC as part of this service. We will not use this information for any purpose other than to provide this service, except as described in our [Privacy Policy](#).

It is your and your school's responsibility to comply with the Children's Online Privacy Protection Act (COPPA). In particular, by agreeing to use this service, you agree you have the authority to serve as an agent for the school for purposes of the contest and are providing consent for students to access this service on behalf of a school for a school-authorized educational purpose.

By accessing or using our websites or services, you consent to the above, [Privacy Policy](#) and [Terms of Use](#) (collectively, the "Terms and Conditions").

I agree to the above terms on behalf of myself and school.

CREATE ACCOUNT

Step #2: Welcome to your AMC Competition Manager (CM) portal! Here you will find Participant Invitation links for each competition based on your AMC order form.

Please send these links to your AMC participants to complete the student portion of the online registration.

AMC Competition Manager Portal

Below, you will find your Participant Registration links for the competitions. You can provide this link to your students to invite them to join the Contest Platform.

Need some help? See the [AoPS Contest Platform FAQs](#), the [AMC 8 Teacher's Manual](#), the [AMC 10/12 A Teacher's Manual](#), and the [AMC 10/12 B Teacher's Manual](#) or send us an email to info+contests@artofproblemsolving.com.

You are currently managing AMC 10A, AMC 10B, AMC 12A, and AMC 12B for Jordan High School.

AMC 10A

Participant Registration Link: [Copy](#)

You can invite **10 more participants** to AMC 10A.

Interested in seeing what participants will experience on competition day? [Click here](#) to try out the AMC 10 Practice Competition.

No participants have accepted the invitation for Jordan High School.

Step #3: Once students complete online registration, they will appear in your CM Portal. Here you can view your participant list, remove a participant, or reset a participant's password (only for participants with limited accounts). You can also monitor which participants completed the practice competition.

AMC Competition Manager Portal

Below, you will find your Participant Registration links for the competitions. You can provide this link to your students to invite them to join the Contest Platform.

Name	Username	Email	Practice Results	Official Status		
Registration Incomplete (Info Form Needed)	amc10student			Not Started	Remove Participant	Update Password
Student Name	myContestStudent			Not Started	Remove Participant	Update Password

AMC 12A

Participant Registration Link: [Copy](#)

You can invite **10 more participants** to AMC 12A.

Step #4: To access your competition manager portal after registration, please visit aops.com/contests/amc or click AMC under the “Resources” tab.

The screenshot shows the top portion of the MAA AMC website. At the top, there is a navigation bar with links for 'AOPS Online', 'ONLINE SCHOOL', 'BOOKSTORE', 'COMMUNITY', and 'RESOURCES'. Below this is a large blue banner with a geometric pattern. The banner features the text 'MAA AMC' in large white letters, followed by 'Powered by Art of Problem Solving' in smaller white text. A white text box in the center of the banner contains the following text: 'The Mathematical Association of America's American Mathematics Competitions (MAA AMC) program leads the nation in strengthening the mathematical capabilities of the next generation of problem-solvers. The MAA AMC series of competitions for middle and high school students determine the US team for the International Math Olympiad.' Below the banner is a section titled 'Competition Series Information' with three cards. The first card, 'PARTICIPANT PORTAL', shows an illustration of a person at a laptop and includes the text: 'Find key dates, complete registration, access practice contests, and more.' The second card, 'MANAGER PORTAL', shows an illustration of a person at a laptop and includes the text: 'Manage your participants, find key dates and information, view practice contest results, and more.' The third card, 'FAQs', shows an illustration of a person at a laptop and includes the text: 'Find answers to your questions about account creation, practice contests, your portal, and more.' At the bottom of the screenshot is a section titled 'Upcoming Events' with a light gray background and a subtle geometric pattern.
