Please complete and return with answer sheets.

Section 1 - Student

This disclaimer statement is to be completed by all students taking the AIME in their school on the scheduled date of the competition at a later time from the other students, due to the requirement of attendance at an official academic function, which conflicted with the regularly scheduled time of the administration of the AIME. Reexamination may be requested if, after an inquiry, there is a reasonable basis to believe that a high score is well beyond a student's ability.

I certify that prior to taking the American Invitational Mathematics Examination as part of the MAA American Mathematics Competitions on Tuesday, March 6 / Wednesday March 21, 2018 (please circle correct date), I had absolutely no contact or communication with any student who participated in the competition, nor had I seen any of this year's exam questions.
