- **All participants must take the AIME I, unless registered separately for AIME II.**
- **Verify you have all AIME competition materials that were included in your AMC 10/12 package.** There should also be two AIME return envelopes, two school ID forms, and enough AIME answer sheets for the students invited to participate in the AIME. If any materials are missing, please contact Customer Service immediately at 800-527-3690.
- **Participants must use the same name on the AIME answer sheet that they used on the AMC 10/12.** Participant names are used to match their scores. Names that are spelled differently on the AMC 10/12 and AIME will become harder to match. Use of nicknames or other versions of their name may result in a participant not being invited to take the USAMO or USAJMO because we cannot match their AIME score to their AMC 10/12 score.
- **Competition booklets will be sent via email the day prior the official date.** If participating in the AIME I, the AIME I competition booklets will be emailed to the competition manager by 12:00 p.m. EST on March 10, 2020. If participating in the AIME II, the AIME II competition booklets will be emailed to the competition manager by 12:00 p.m. EST on March 18, 2020. The answer sheets, school ID form and certification form provided in the AMC 10/12 package can be used for either AIME.
- **Do not use photocopied answer sheets.** Using answer sheets from previous competition cycles can result in scoring errors and delays. Photocopied answer sheets cannot be read by our scanners and will not be scored. Contact Customer Service immediately if you did not receive enough official AIME answer sheets.
- **Check that all answer sheets are complete.** Have participants complete the answer sheets, filling in the bubbles with their name, age, date of birth, grade, gender, and address prior to the competition date. Incomplete answer sheets could result in incorrect or delayed scoring. After the competition, please verify that these portions of each answer sheet have been completed correctly.
- **Complete and include the School Identification Form.** The correct CEEB (school) code, number of answer sheets returned, and date the competition was administered are crucial for the scoring process. If you are unsure of the correct code, please contact Customer Service prior to returning your competition materials. Errors on this form can lead to inaccurate score reports.
- **Complete and include the Examination Certification Form and AIME Academic Integrity Form.** These forms can also be found on the Invitational Competitions webpage. Please be sure to include all signatures and dates.
- **Do not return AIME I and AIME II answer sheets in the same return envelope.** Use the AIME Return Envelope for the AIME I and the AIME II Return Envelope for the AIME II.
- **Answer sheets received after the deadline will disqualify students from the USAMO and USAJMO.**
