- 2. Use the answer sheets you received with your competition materials. Do not use photocopied answer sheets.** Using answer sheets from previous competition cycles can result in scoring errors and delays. Photocopied answer sheets cannot be read by our scanners and cannot be scored. Please be sure to order enough competitions and answer sheets for your participants. For information on ordering additional competitions and answer sheets, see the Additional Bundles Form on the AMC 10/12 page at [maa.org/amc](http://maa.org/amc).
- 3. Check that all answer sheets are complete.** Have participants complete the answer sheets by filling in the bubbles completely with their name, age, date of birth, grade, gender, and address prior to the competition date. Incomplete answer sheets could result in incorrect or delayed scoring. After the competition, please verify that these portions of each answer sheet have been completed correctly.
- 4. Complete and return the School Identification Form.** The correct CEEB (institution) code, number of answer sheets returned, and the date that the competition was administered are crucial to the scoring process. If you are unsure of the correct code, please contact Customer Service at 800-527-3690 (US), 301-617-7805 (outside the US), or [amcinfo@maa.org](mailto:amcinfo@maa.org) prior to returning your competition materials. Errors on this form can lead to inaccurate score reports.
- 5. Complete and return the 2020 AMC 10/12 Certification Form.** This form can be found on the AMC 10/12 page at [maa.org/amc](http://maa.org/amc). A copy of this form was included in your competition package. Please be sure to include all signatures and list any participants who took the competition unofficially after the official administration timeframe had ended.
