## Four Critical Steps to Process Competition Materials

### 1 Verify your competition materials immediately

Check that the number of answer sheets match the number of competition booklets ordered. Each shrink-wrapped bundle contains 10 booklets. Do not open the shrink-wrapped booklets until one hour before the competition starts. If there are missing materials from your package, please contact Customer Service at 800-527-3690. Keep all materials together and secure. Do not discard any materials. Your package includes the following materials:

- 10/12 Answer sheets (Scantrons)
- 10/12 Certification form
- 10/12 Competition bundles
- 10/12 Return envelopes
- AIME Answer sheets (Scantrons)
- AIME Certification form
- AIME Change of venue form
- AIME Important dates & information
- AIME I and II return envelopes
- AIME II Registration form
- AMC Integrity form
- School ID forms

### 2 Instruct students to pre-fill demographic fields on the answer sheet prior to the competition start time

Ask participants to fill-in and bubble the following fields: name, age, grade, and address. Incomplete answer sheets will result in incorrect or delayed scoring.

### 3 Distribute official AMC 10/12 answer sheets on competition day. Do not use photocopied answer sheets

Using answer sheets from previous competition cycles can result in scoring errors and delays. Photocopied answer sheets are unreadable by our scanners and participants with photocopied answer sheets will not be scored. It is necessary to order enough competitions and answer sheets for your participants. If you need additional competitions and answer sheets, download the Additional Bundles Form on the AMC 10/12 page ([maa.org/amc](http://maa.org/amc)) and submit it to [amcinfo@maa.org](mailto:amcinfo@maa.org).

### 4 Complete and return answer sheets, School Identification Form, and the Certification Form

After the competition, please collect student answer sheets and verify Student's Signature and demographic fields are complete. For the School Identification Form, correctly enter your CEEB (institution) code, number of answer sheets returned, date the competition was administered, total school enrollment, and grade range. Complete the Certification Form included in your package. A replacement form can be found on the AMC 10/12 page ([maa.org/amc](http://maa.org/amc)). Please include all required signatures. On the back of the form, list any unofficial participants (i.e. those who took the competition after the official administration time frame had ended), and participants with accommodations. If you have any questions contact Customer Service at 800-527-3690 (US), 301-617-7805 (outside the US), or [amcinfo@maa.org](mailto:amcinfo@maa.org) prior to returning your competition materials.
