

The MATHEMATICAL ASSOCIATION OF AMERICA

American Mathematics Competitions

Steven Dunbar
AMC Director

To all Contest Managers:

I am very pleased you will be providing the opportunity for your students to participate in the 57th annual American Mathematics Contest 12 (AMC 12) or its sister contest, the American Mathematics Contest 10 (AMC 10). I believe that you and your students will find these contests to be both interesting and challenging. Again this year the Committee on the American Mathematics Competitions and panelists under the leadership of Committee Chairs Professor Douglas Faires for the AMC 10 and Professor David Wells for the AMC 12 developed a total of 4 contests (two AMC 10 and two AMC 12). I extend special thanks to both of them for the effort involved in developing these excellent contests.

This year, we continue to include in this manual several handouts, included in Section XIV:

- * Worksheets for contest preparation ([page 14](#))
- * A handout for parents on why mathematics is important ([page 22](#))
- * A sample Press Release ([page 23](#))
- * A Certificate of Participation ([pages 24 & 25](#))

You may reproduce these pages for your students.

Very sincerely,

Steven Dunbar
Director
