

DEVELOPMENT

# THANK YOU!

Thank you for your contribution to our mission. Everyday, with your support, we're able to provide our members - students, teachers and professors everywhere - with the resources and encouragement they need to tackle society's biggest challenges.

## YOUR CONTRIBUTIONS TO MAA:

**Support our community  
of more than 28,600**

---

**Inspire the next generation  
of mathematicians**

---

**Reach more than 300,000 students  
with our competitive exams**

---

**Offer unparalleled access  
to resources, tools, and events**

## OUR COLLECTIVE IMPACT

**This year, MAA supported our members with resources, tools, and information. Students and teachers everywhere now have access to engaging content, while professors and career mathematicians can reach out to a real-time community of professionals. With your support, we:**

- Launched [M-Powered](#), an online portal to a website for mathematics students
- Hosted Diversity, Equity, and Inclusion [webinars](#)
- Curated [MAA Connect](#) for the mathematical community
- Moved [MAA American Mathematics Competitions](#) online
- Engaged 533 minority students with [NREUP Program](#)
- Connected 119 [Project NExT](#) fellows virtually
- Our [Instructional Practices Guide](#) was downloaded more than 3,000 times

## HOW YOU CAN SUPPORT MAA THROUGHOUT THE YEAR

**MAA is stronger thanks to all of our donors. There are many ways you can continue to support MAA throughout the year.**

- Make a contribution online (and ask your employer to match it!)
- Include MAA in your bequest planning
- Volunteer on one of our many committees
- Advocate for MAA and share your love of math with those around you!
