

Attend Member Engagement Events in the MAA Pavilion

▶ **On-the-Spot Caricature Paintings**

Get your caricature painted in five minutes or less. Or join us to watch others get theirs created.

Wednesday, Aug. 1, 6:00 PM - 7:00 PM

ORGANIZER: MAA Author, John de Pillis

▶ **Meet the New SIGMAA-Rec**

Come meet the new SIGMAA on Recreational Mathematics members. The SIGMAA-Rec's goal is to bring together enthusiasts and researchers in the myriad of topics that fall under recreational math.

Wednesday, Aug. 1, 7:00 PM - 8:00 PM

ORGANIZER: SIGMAA on Recreational Mathematics, Robert Vallin

▶ **Sections Connecting with BIG**

This event is for section officers to meet with members of BIG SIGMAA for guidance on attracting BIG speakers and attendees to local meetings.

Thursday, Aug. 2, 12:00 PM - 12:30 PM

ORGANIZER: Committee on Sections, Lisa Marano

▶ **Online Demonstration of MAA Journals Platform**

A demonstration of the new MAA journals web platform hosted by Taylor & Francis.

Thursday, Aug. 2, 1:00 PM - 1:30 PM

ORGANIZER: Taylor & Francis Group, Thomas Elrod

▶ **Meet the New SIGMAA-Rec**

Come meet the new SIGMAA on Recreational Mathematics members. The SIGMAA-Rec's goal is to bring together enthusiasts and researchers in the myriad of topics that fall under recreational math.

Thursday, Aug. 2, 2:30 PM - 3:00 PM

ORGANIZER: SIGMAA on Recreational Mathematics, Robert Vallin

▶ **Ignite your Passion for Publishing in MAA Journals**

Discover valuable information about all the author resources available from MAA Press and Taylor & Francis and connect face to face with MAA journal editors.

Thursday, Aug. 2, 3:30 PM - 4:00 PM

ORGANIZERS: MAA Journal Editors, Susan Jane Colley, Brian Hopkins, Michael Jones, Dominic Klyve, and Bonnie Ponce

▶ **Membership Committee Meet & Greet**

Come meet with Membership Committee members and staff. Get your questions answered, and share your ideas about the member experience. Be sure to enter the raffle to win a free year of membership (three winners will be selected).

Thursday, Aug. 2, 4:30 PM - 5:00 PM

ORGANIZERS: Committee on Membership, Kira Hamman and Stephen Coolbaugh

▶ **Math Busking**

Be entertained by an unusual and fun math street performance experience.

Friday, Aug. 3, 12:30 PM - 1:00 PM

ORGANIZERS: Tim and Tanya Chartier and Axel Brandt

▶ **Sharing Great Ideas**

MAA FOCUS is always looking for great expository articles in a variety of areas. Have a great teaching or research trick that you can summarize in about 800 words? Come by the MAA Pavilion to discuss new ideas with the editor and members of the editorial board.

Friday, Aug. 3, 2:30 PM - 3:00 PM

ORGANIZER: MAA FOCUS Editor, Jacqueline Jensen-Vallin

▶ **What's the Figure Skating Blade Radius?**

Participants will determine the radius on which a given figure skate blade is set on the ice.

Friday, Aug. 3, 3:00 PM - 3:30 PM

ORGANIZER: SIGMAA on Sports, Diana Chengy

▶ **Early Career Mathematicians Reception**

Please come and meet with members of the Committee on Early Career Mathematicians (ECM). ECM mentors and mentees will discuss what it means to be a member of the mathematical sciences throughout various stages of your career.

Friday, Aug. 3, 4:00 PM - 5:00 PM

ORGANIZER: Posterfest, Lisa Driskell

▶ **Member Engagement Events**

Come check out some of the exciting events happening in the MAA Pavilion. These new special events are for members by members. There's something for everyone. It's the perfect time to connect with new and old colleagues. See the complete list on the back of this flyer.

▶ **MAA Membership**

Renew your membership, update your member profile, check your membership status, or learn about programs for students and faculty. Not a member? Stop by for a chance to win a complimentary membership.

▶ **AMC Problem of the Day**

The MAA AMC team is back to challenge you with sample competition problems. There will be a problem of the day Wednesday through Friday. Exercise your brain for a chance to win great prizes.

▶ **American Mathematics Competitions**

The MAA AMC program leads the nation in strengthening the mathematical capabilities of the next generation of problem-solvers. Exercise your problem-solving skills by volunteering to create and review AMC problems and by completing the AMC problem of the day. The problem of the day will be available Wednesday through Friday and enters you for a chance to win prizes.

▶ **MAA Programs**

Stop by the Programs booth to learn how MAA can help you succeed. Our staff are here to show you how to build your professional network through our member communities, foster student success through innovative curriculum resources, advance the understanding of mathematics through outreach initiatives, and expand upon your professional development.
