

## **Call for Posters MathFest 2020**

Besides the General Contributed Poster Session, the MAA is pleased announce three other poster sessions that will be held at MathFest 2020 in Philadelphia, PA. To submit an abstract go to [www.maa.org/mathfest/abstracts](http://www.maa.org/mathfest/abstracts) and follow the instructions found there. The deadline for submission of abstracts is June 8, 2020. Early submissions are encouraged.

**Outreach Poster Session:** All community members involved in outreach activities are welcome to present a poster on those activities. These outreach activities can be camps for middle school children, seminars or symposia for undergraduate women, Sonia Kovalevski Days, etc. We want to hear about the good work you are doing encouraging diversity and inclusion in mathematics. For questions contact, Rachelle Decoste, Wheaton College, [decoste\\_rachelle@wheatoncollege.edu](mailto:decoste_rachelle@wheatoncollege.edu).

**Aligning Courses in the First Two Years with the Instructional Practices Guide and AMATYC IMPACT:** The Instructional Practices Guide gives evidence-based ideas for classroom, assessment, and design practices. AMATYC's IMPACT document gives guidance on influencing students' mathematical prowess. This poster session invites participants to share an IP or IMPACT-aligned strategy in a course typically in the first two years of college. Posters from two-year college faculty and experienced graduate student teaching assistants are highly encouraged. For questions contact, Chris Oehrlein, Oklahoma City Community College, [cdoehrlein@gmail.com](mailto:cdoehrlein@gmail.com).

**PosterFest 2020: Scholarship by Early Career Mathematicians:** This poster session and networking event provides an informal opportunity for early career mathematicians to present and discuss their scholarly activities (such as: expository work, preliminary reports, scholarship of teaching and learning, and research reports). Nontenured faculty and graduate students are encouraged to apply. Undergraduate submissions will not be accepted. Questions regarding this session should be sent to the organizers. For questions contact, Holly Attenborough, University of Wisconsin-Platteville, [attenborough@uwplatt.edu](mailto:attenborough@uwplatt.edu) or Lisa Driskell, Colorado Mesa University, [ldriskel@coloradomesa.edu](mailto:ldriskel@coloradomesa.edu)
